More - more - I want more
I'm livin' just for lovin'
More - more
It's all that I want
It's all that I need
It's all that I want
It's all that I need

Give me more - more - I want more
I'm livin' just for lovin'
More - more
It's all that I want

I'm livin' just for lovin' now
Lips to kiss, a heart to miss a beat
I'm livin' just for lovin' now
It's all that I want
It's all that I need

Give me more - more - I want more
I'm livin' just for lovin'
More - more
It's all that I want
It's all that I need

I'm livin' just for lovin' now
Lips to kiss, a heart to miss a beat
I'm livin' just for lovin' now
It's all that I want
It's all that I need

More - more - I want more
I'm livin' just for lovin'
More - more
It's all that I want
It's all that I need
