Take my word  
Im the biggest fool you ever heard of any day, any day  
I drove my sweet lover far away  
And I can't love you, oh no, I can't love you  
I had the kind of lover to be proud of  
Then again I had to play the field  
I never thought of anything but myself  
I never knew how bad I made her feel  
Take my word  
Im the biggest fool you ever heard of any day, any day  
I drove my sweet lover far away  
And I can't love you, oh no, I can't love you  
Day after day as she was loving me  
I threw her love away  
Night after night as I was loving you  
I couldnt see the light  
No, no, no  
Oh take my word  
Im the biggest fool you ever heard of any day, any day  
I drove my sweet lover far away  
And I can't love you, oh no, I can't love you  
Take my word
