You sure don't have a lot  
But you use what you got  
And you got thinking about it  
You got me thinking  
I just aint sure that I will  
What I see in your face  
This aint the time or the place  
But you got me thinking about it  
You got me thinking  
I just aint sure that I will  
Baby, you're sure in for a big surprise  
If I can believe what I see in your eyes  
You may not know what to do  
But Im going to give you a clue  
Cause you got thinking  
You got me thinking  
And if I can believe what I see in your eyes  
You may not know what to do  
But Im going to give you a clue  
You got me thinking  
You got me thinking about it  
I just aint sure that I will  
You know you got me thinking  
Somethings on my mind  
Thinking, thinking, thinking
