Oh girl, You pick me up
When Im down
You take me to the top
When you're around
And I don't think about the hard times
But of you...
And I aint crackin up
When Im with you
And I aint fallin up
When Im with you
So simple in my world
Like it should
When Im with you, sweet girl
I feel good
And I don't think about the hard times
But of you...
And I aint crackin up
When Im with you
And I aint fallin up
When Im with you
Oh girl, You pick me up
When Im down
You take me to the top
When you're around
And I don't think about the hard times
But of you...
And I aint crackin up
When Im with you
And I aint fallin up
When Im with you
And I aint crackin up
When Im with you
And I aint fallin up
When Im with you
