All creation moves in a cosmic danse  
Before the Lord her King  
And the rhythms, the reason, the rhyme of the danse  
Pulses within everything  
And the universe wheels and whirls like a dervish  
In perfect seven-step time  
The Lord made the danse and He taught her the steps  
And He causes the songs to shine

We must danse, danse, danse  
Danse in God's honor  
We must yield all our steps unto the King  
We must danse, danse, danse  
Danse in God's honor  
Let His praises ring throughout the earth

Adam and Eve danced in Eden's environs  
Early in earth's morning air  
They know the animals musical names  
Glorious potentiality shared  
But Lucifer sang out a serpentine song  
And offered death's danse as a token  
And pausing to listen Adam missed his step  
Earth's harmony in the danse broken

We must danse, danse, danse  
Danse in God's honor  
We must yield all our steps unto the King  
We must danse, danse, danse  
Danse in God's honor  
Let his praises ring throughout the earth

Jesus danced into the world  
Singing His heavenly song  
He taught the danse to those who would listen  
And learn as He moved along  
But the steps of His danse led to a cross  
Where He died while the haters mocked on  
But He danced through death's arms and over Hell's  
gate  
And in three days danced forth from His tomb

We must danse, danse, danse  
Danse in God's honor  
We must yield all our steps unto the King  
We must danse, danse, danse  
Danse in God's honor  
Let His praises ring throughout the earth

We must danse, danse, danse  
Danse in God's honor  
We must yield all our steps unto the King  
We must danse, danse, danse  
Danse in God's honor  
Let His praises ring throughout the earth
