Christmas is hell on earth
I know nothing worse
Than being depressed and told to be happy
The season of suicide
I know why they died
Christmas reminds me I have nothing

I've got no girl, there's only me
No friends or family
Another Christmas alone
I've got no food to eat
No ornaments or wreath
So I'll hang myself from the tree

Christmas is dark and wet
So I can't forget
Christmas reminds me I have nothing
This is the end of hope
I won't write a note
' Cause it would be adressed to no one
I've got no girl, there's only me
No friends or family
Another Christmas alone
I've got no food to eat
No ornaments or wreath
So I'll hang myself from the tree've got

Now we'll say goodbye
No one will cry
Christmas goes on without me
My life is now complete
So I'll go to sleep
Forever and ever and ever

I've got no girl, there's only me
No friends or family
Another Christmas alone
I've got no food to eat
No ornaments or wreath
So I'll hang myself from the tree
