Now I praise you, Lord of creation  
You ordain the sun to rise and fall  
You scatter the stars across the heavens  
You come close enough to hear me call

Now I want to say  
Holy is your name  
Let all creation proclaim  
Holy is your name

Your love is the shelter over my soul  
(you fill my heart with wonder)  
You fill me with the wonder of a child  
(you heal my spirit)  
You will heal the humble and the broken  
(mercy flows like a river)  
Mercy flows like a river running wild.

On the highest mountain  
I will lift my heart to the sky  
From the lowest valley  
Hear my cry
