Hey, mister Moon shines too,  
Wanna figure out what I'm gonna do  
First I'm gonna watch the stars, they are all around me  
Tell me where you are

Hey, this is what I'll do,  
Draw you in the sky, turning into you  
I'm gonna go the way, I saw the other day, I'm sure that  
I had been there  
It wasn't all that great

(Maybe) I don't wanna go, (maybe) I don't wanna know  
(maybe) You made me realise (maybe) I'm just a star in  
your eyes  
(maybe) I don't wanna go, (maybe) I don't wanna know  
(maybe) You made me realise (maybe) I'm just a star in  
your eyes

Hey, mister Moon shines too,  
I don't really know what I'm gonna do  
I'm gonna go the way, I saw the other day, I'm sure that  
I had been there  
It wasn't all that great

(Maybe) I don't wanna go, (maybe) I don't wanna know  
(maybe) You made me realise (maybe) I'm just a star in  
your eyes  
(maybe) I don't wanna go, (maybe) I don't wanna know  
(maybe) You made me realise (maybe) I'm just a star in  
your eyes
