Please wake me up
I can't be this dumb
Surely you learn in life

I spent some days
Made a study of my ways
Keep me informed alright

You said hold on, hold tight
You can be free
Shut up and follow me
I walked through these days
So sad about my ways
Hold on

What about
This stuff we worked out
Can't put it all aside
It seems so strange
It's so easily replaced
Can't get it off my mind

You said hold on
Hold tight
You can be free
Shut up and follow me
I walked through these days
So sad about my ways
Hold on

Please wake me up
I can't be this dumb
Surely you learn in life
Seems so strange
It's so easily replaced
Keep me informed alright

You said hold on
Hold tight
You can be free
Shut up and follow me

I walked through these days
So sad about my ways
Hold on
