Lead us out of darkness and into your marvelous light

When we wander into valleys far from home  
Where shadows hover over our souls  
Find us in your mercy  
Savior of the world

You are the light of the world  
(Jesus is the light)  
You are the way, the truth and the life  
(you are the life)  
You are the light of the world  
(Jesus is the light)  
Lead us out of darkness  
And into your marvelous light

Sanctify our spirits  
Purify our minds  
As we look to you, eyes open wide  
Give us understanding  
Set our hearts on fire

Give us understanding  
Set our hearts on fire  
Fill us with desire

You are the light of the world...
