May the rain keep falling on your head,  
I'll make you pay for all the tears I've bled,  
May you die alone in your bed,  
Baby one day you will wake up dead!

#### CHORUS

But everytime you talk to me and,  
You whisper dirty words to me and,  
I start to fall apart all over again,  
You got me where you want me again!

Na na na na na na na na x 2

Repeat CHORUS

Can't you hear me calling out your name?  
The disappointment, tears and all the shame,  
All these useless years that I've spent,  
Tangled up inside a stupid game!

Na na na na na na na na {till end}
