I know where Im bound  
And where Im chained  
And where Im left alone  
I know no hunger, and I feel no pain  
But tonight I wanna go home  
Stay with me now and then  
From all sides hem me in  
Sing me a song  
So I can close my eyes

Before I was born  
Every day recorded  
Your thoughts like grains of sand  
Through the wide-eyed night  
In the morning light  
As my days demand

With the fears of a girl  
and the heart of a woman  
and everything in between  
though I swim this ocean  
and ride these wings  
where you are, is where Ill be
