Oh Yeah?..
I talk too loud and much to much..
And i stay up all night and i sleep all day..
I like to dress up nice in rubber tights.. baby you stand
and stair as i walk by..
You don't like what i do.. But that's just fine cu'z it's not
for you..
You don't wanna hear what i say..I keep on screami'n
any way..
I sell my soul.. To steal it back..
Cu'z the roules that you've made are not for me..
And you'll never understand what i'm about..
I don't think twice and i don't look back...
You don't like what i do.. But that's just fine cu'z it's not
for you..
You don't wanna hear what i say..I keep on screami'n
any way..
