Well I was tied to your eyes
My life wasn't mine anymore
I said: "Well alright, here we go"
We're all on a track and there's no way back

You know how I love to uncover
The secrets that you wouldn't show
No myth lasts a lifetime I know
We're all on a track and there's no way back

Yeah here's Simon the Ghost
From the past we all know
Not a glorious time
And yeah here's Simon the Ghost
Here at last whatcha know
Maybe time to be on your way

It will be all right
You can come right in
I believe I tried
Every other thing

You can shoot me down
Should this be your thing
There's a lot to lose
And a lot to win

It will be alright
You can come right in
I believe we tried
Every other thing

It could be alright
It could be right in
I believe I tried
I believe I've tried

Yeah here's Simon the Ghost
From the past we all know
Not a glorious time
And yeah here's Simon the Ghost

Here at last whatcha know
Maybe time to be on your way yeah
