All our times have come  
Here but now they're gone  
Seasons don't fear the reaper  
Nor do the wind, the sun or the rain  
We can be like they are

Come on baby  
Don't fear the reaper ? baby take my hand  
Don't fear the reaper ? we'll be able to fly  
Don't fear the reaper ? baby I'm your man

Laaaa la laa la la la  
Laaaa la laa la la la

Valentine is done  
Here but now they're gone  
Romeo and juliet  
Are together in eternity ? romeo and juliet  
Forty thousand men and women everyday ? like romeo  
and juliet  
Forty thousand men and women everyday ? redefine  
happiness  
Another forty thousand coming everyday ? we can be  
like they are

Come on baby  
Don't fear the reaper ? baby take my hand  
Don't fear the reaper ? we'll be able to fly  
Don't fear the reaper ? baby I'm your man

Laaaa la laa la la la  
Laaaa la laa la la la

Love of two is one  
Here but now they're gone  
Came the last night of sadness  
Clear she couldn't go on  
Door was open and the wind appeared  
The candles blew then disappeared  
The curtains flew then he appeared  
Saying don't be afraid

Come on baby  
And she had no fear  
And she ran to him  
Then she started to fly  
They looked backward and said goodbye  
She had become like they are  
She had taken his hand  
She had become like they are  
Come on baby

Don't fear the reaper  
Don't fear the reaper  
Don't fear the reaper

Laaaa la laa la la la  
Laaaa la laa la la la
