When I was young
You were my breath and heartbeat
Born in the dark
You were the hand that held me

You opened your arms
And called me into salvation
Your infinite love
Echoes in all creation

For who You are, You're the great I am
For who You are, You're the son of man
For who You are, I am who I am

Father of grace
I am Your child of mercy
Inside my heart
And all around me I see the glory

Of who You are, You're the great I am
For you are, You're the son of man
For you are, I am who I am

You pulled me out of darkness
You pulled me out of all my emptiness
You are your instrument of praise

Who You are, You're the great I am
For who You are, You're the son of man
For who You are, I am who I am

For who You are, You're the great I am
For who You are, You're the son of man
For who You are, I am who I am
