When I was young  
You were my breath and heartbeat  
Born in the dark  
You were that hand that held me

You opened your arms  
Called me to Your salvation  
Your infinite love  
Echoes in all creation

For who You are, you're the great I am  
For Who you are, you're the son of man  
For Who you are, I am who I am

Father of grace  
I am a child of mercy  
Inside my heart  
And all around me I see the glory

You pulled me out of darkness  
You pulled me out of all my emptiness  
You are Your instrument of praise
