Tell me what I want to here
Cause I know I know well make it somehow
With you by my side
I'll go through the night
Just to make you mine
I'll live and I'll die for you
Just to make your dreams come true
I'll never stop loving you
Even if you want me to

I'll give you my life
With every breath in the air
I'll make me your wife
Even if you don't care

I'll live just to hear you breath
I'll love you when you love me
I'll give you every inch of my heart
And well never split apart
(Well never split apart)

So tell me what I want to here
Cause I know yes I know well make it somehow
With you by my side
I'll go through the night
Just to make you mine
I'll live and I'll die for you
Just to make your dreams come true
I 'll never stop loving you
Even if you want me to
2xs wowwowowowow
I'll never let ya go
It's time I let ya know
That you bring the best of me
And you make me so happy

I'm glad you are with me
You make me so complete

I'll give you my life
With every breath in the air
I'll make me your wife

Even if you don't care

I'll live just to hear you breath

I'll love you when you love me

I'll give you every inch of my heart

And well never split apart

(Well never split apart)

Well never split apart

Even in my heart
