(Chorus)

We have come to change your song
Through the night and all day long
Oh this is why we've come in today
Oh we have come in Jesus name
Oh we have come in Jesus name

We have come to sing to you
A song of how He's brought us through
How he saved from sin and shame
Oh we have come in Jesus name
Oh we have come in Jesus name

(Repeat Chorus)

In His name there is deliverance
In His name you can have victory
Oh we have come in Jesus name
Oh we have come in Jesus name

Oh we have come and we have changed your song
We have come to sing it all day long

In His name
We have come in His name
In His name
We have come in His name

Oh this is why we've come today

Oh we have come in Jesus name
Oh we have come in Jesus name
