Hear us, O Shepherd of Israel  
Ruler of all mankind  
Thou who dwellest between the cherubims  
Shine forth, shine forth

Return we beseech You, O God of Hosts  
Sustainer and giver of life  
Behold and keep our vineyards  
Shine forth, shine forth

Turn us again, O Lord God of Hosts  
Shine forth, shine forth  
'Cause now Thy face to save us Lord  
Shine forth, shine forth

Please don't be angry with us God above  
When we've fallen so short of Thy word  
Extend Your mercies down from above  
Shine forth, shine forth

Turn us again, O Lord God of Hosts  
Shine forth, shine forth  
'Cause now Thy face to save us Lord  
Shine forth, shine forth

Send down Your power here below  
You hold it all in Your hand  
Restore our joy that we had before  
Shine forth, shine forth

Turn us again, O Lord God of Hosts  
Shine forth, shine forth  
'Cause now Thy face to save us Lord  
Shine forth, shine forth
