"Where I Belong"

Years of searching, so may years of seeking
I'm trying to find my way
So may years of wandering, years of pleading
I'm just waiting for my day
Time was moving, time was so fleeting
All my dreams I could not see
But then I sought Him and He freed me
He gave to me relief

(Chorus)

It did not happen for me until He set me free
I just did not see the sky until Jesus took me high
For He has placed me where I belong
For Jesus has placed me just where I belong

Days of dreaming, days of hoping

They almost led me astray
But Jesus He saw me, and Jesus freed me
For He's with me today
All of His every promise that He gave me
He has made them all come through
All of my failure the Lord forgave me
He'll do the same for you

(Repeat Chorus)
