Your love, lifting me higher
Than i've ever been lifted before
So keep it it up
Quench my desire
And i'll be at your side, forever more

[Chorus]

You know your love (your love keeps lifting me)
Keep on lifting (love keeps lifting me)
Higher (lifting me)
Higher and higher (higher)
I said your love (your love keeps lifting me)
Keep on (love keeps lifting me)
Lifting me (lifting me)
Higher and higher (higher)

Now once, I was down hearted
Disappointment, was my closest friend
But then you, came and it soon departed
And you know he never
Showed his face again

[Chorus]

I'm so glad, i've finally found you
Yes that one, in a million girls
And I whip, my loving arms around you
I can stand up, and face the world

[Chorus till fade]
