My heart belongs to only you  
I've never loved as I love you  
You've set a flame within me burning  
A flame to stay within me yearning  
It's just for you I want to live  
It's just to you my heart I give  
I'll always be your slave my darling  
Through the coming years

There were sometimes when I was doubtful  
Of this new love affair  
But now my mind is no more doubtful  
I've found my heaven with the help of a prayer

You are the song within my soul  
A melody that can't grow old  
I've known for long  
My heart belongs to only you

You are the song within my soul  
A melody that can't grow old  
I've known for long  
My heart belongs to only you
