"I know you don't trust a thing that i say  
That's ok  
You see things build and watch them end  
All I want is to be your friend  
Life is too short to play games  
Make false claims  
Live under chance so  
Build new things with our plans  
Slowly now give me your hand  
First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Everytime i tell the truth  
Yeah, it's all right  
If you would only take the time  
To get to know me better  
Now you trust what I say  
Knew the day'd come soon enough  
So when you ask then you'll receive  
But you smile like you don't really believe  
First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Everytime I tell the truth  
Oh yeah  
First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Everytime I tell the truth  
Yeah it's alright  
If you would only take the time  
Would only take the time  
To get to know me  
Time  
To get to know me better  
Get to know me  
Get to know me  
Get to know me  
Get to know me  
Woooooowoo"
