I know I'm out of line  
Are we out of touch  
But this is all too much

You're such a groovy girl  
I'd love to strap her on  
When I'm really gone

Let's go parking, baby  
Stay out all night, you and me together  
2 wrongs don't make a right  
Sweetest punks you've ever seen

Such a crazy girl  
She doesn't make no sense  
It doesn't bother me

She always throws me out  
She always makes a scene  
She's just the sweetest thing

Let's go parking, baby  
Stay out all night, you and me together  
2 wrong's don't make a right  
Your black hair is so obscene  
Sweetest punks you've ever seen

Let's go parking, baby  
Stay out all night, you and me together  
2 wrongs don't make a right  
Your black hair is so obscene  
Sweetest punks you've ever seen  
Your black hair is so obscene  
My heart aches at what a state I'm in
