Whatcha come here for fool?  
-Mind your own business you little...  
Don't make me beat you up!  
-Go ahead, make my day!  
You bet I will...

You fake your smile and I know you don't feel so good  
(Put your face in the truth)  
You were there when I said that I needed you  
(Dirty face in the truth)  
But now you cry and I don't know what to do  
(Know what to do now)  
This ain't the part that I selected  
Cos I don't know how I could ever be so cruel  
(I could ever be so)  
You know I'm only able to tell you the truth  
(Put your face in the truth)  
The past is behind don't look at a wasted youth  
(Don't you look behind yo)  
It's time to start an insurrection

I'm not the one who died for you -  
When you feel like I left you  
I'm not the one who died for you -  
When it's hard just to get through  
I'm not the one who died for you -

I wasn't there when I had to  
God is the one who died for you -  
But you can count on Him to see you through

The story goes on so don't you feel so blue  
(Don't you feel so blue)  
My loss His gain my lies His eternal truth  
(Put your face in the truth)  
For my mistakes His hands and feet were bruised  
(Jacks of all trades)  
Those mistakes His death corrected  
2000 years ago was born a Jew  
(He was born as a Jew)  
Who died and paid the price for me and you  
(Paid that price for you)

But you know the story He didn't stay in the tomb  
(Blow in the face like a bomb)  
3 days later He was resurrected  
No, I'm not the one who died for you
