Blaw

The sound becomes underground  
And no matter how hard you try  
You can't shout  
We've come back  
Step back  
Hold it inside  
No we won't take that  
So stand up and fight  
Hold unto what's yours  
And gimme what's mine  
Hold that sensation  
To the last line  
Last man standing  
Be the first in commanding  
I won't be the first one landing

Point of no return - this is the  
Point of no return - we've reached the  
Point of no return - this is the  
Point of no return - c'mon c'mon

Now

Is it cool to say nothing

I don't think so  
So we'll keep rocking  
Party people in the house  
Throw your hands in the air  
And gimme somma some of that  
Party atmosphere  
Everybody knows  
that it's gonna get hot  
Everybody knows  
that we have got  
More to give  
'cause we don't dance with the devil  
We're down with God  
Call us rebels

I've gone too far  
I can't turn back, oh no
