2, 4, 6, 8, who do you appreciate
Please say that boy is me
2, 4, 6, 8, who do you appreciate
I'm the one who wants to be your baby
2, 4, 6, 8, who do you appreciate

I get up early to see you in the morning
But you just past me by
If I was Jack Horner sitting in the corner
With you I'd share my pie
I pass your homeroom
Wish you were in my own room
Every time I look inside
I sit here hopin' someday you'll notice
The look here in my eyes

2, 4, 6, 8, who do you appreciate
Please be my pride and joy
2, 4, 6, 8, who do you appreciate
I wanna be your lover boy

I maybe a little fella but my heart as big as Texas,
I have all the love a man can give
And maybe a little bit extra
Ohooo be my girl (be my girl)

The best time of day for me is
At recess that's when you talk to me
I think I'm the boy you like the best,
I want more than a friend to be

He wanna be your fella just tryin' to tell ya
But you pay him no mind
He's no Prince Charming still he keeps tryin'
Girl, you're so unkind

I can love you really really love you
I can tell that just because
I can please you really really please you
Girl, give me half a chance
2, 4, 6, 8, who do you appreciate

Oh, baby, say it's me
2, 4, 6, 8, who do you appreciate
Don't you know I wanna be your baby
Yeah, baby your babe babe babe

He wanna be your fella just tryin' to tell ya
But you pay him no mind
He's no Prince Charming still he keeps tryin'
Girl, you're so unkind

2, 4, 6, 8, who do you appreciate
Baby, yeah
2, 4, 6, 8, who do you appreciate
Yeah, yeah, yeah...
2, 4, 6, 8, who do you appreciate
Ohhh, want you be my girl
2, 4, 6, 8, who do you appreciate
Yeah, yeah, yeah...
2, 4, 6, 8, who do you appreciate...
Ohhh, want you be my girl
2, 4, 6, 8, who do you appreciate...
Ohhh
