Girl, as you walk by
I see the sign so deep inside
I knew it had to be
When you smiled for a little while
I heard the same rhapsody
So lovely and so fair

I knew right then and there
That you were made for me
And it wasn't hard to see
Guess I was born to love you
Guess I was born to love you
Darling I, I was born to love you
Give my love to no one but you

This is a man with the future in his hands
Don't let go
Don't let go
Baby, don't let go

You better come on
And take my hand
'Cuz I can't understand
This feeling in my soul
But I know that I would rather die
Than to let this feeling go

Oh, now, girl, can you see
That this was meant to be?
It's funny but it's true
I guess I was born to love you, oh yeah
Guess I was born to love you, oh yeah
Guess I was born to love you

Darling I , oh yeah, yeah
Yeah, yeah, yeah
I guess I was born to love you
