There's a chance for everybody  
So I took my chance on loving you, yeah  
But no one man can make you happy  
You wanna have your cake and eat it too, yeah

You won't give up your buttercup  
You say you love to but one is givin' up  
'Cause he can't stay, no, no  
Aw, you won't give up your buttercup  
You're plenty for one but two, you're not enough  
And I can't stay

Rump, pump, pa, pumpah, pah, dahbah

I've a right to my opinion  
Feeling we'd be better off as friends, yeah  
'Cause you can make no one man happy  
When you're spreading yourself much too thin, aw

You won't give up your buttercup  
You say you love to but one's givin' up  
'Cause he can't stay, no, no  
Aw, you won't give up your buttercup  
You're plenty for one but two, you're not enough  
And I can't stay

Rump, pump, pa, rump, pump, pa, dah

Dit, dit, dit, dit, di, dit, di  
Dit, di, dit, di, dit, di, dit, di

Dit, dit, dit, dit, di, dit, di  
Dit, di, dit, di, dit, di, dit, di

Dit, dit, dit, dit, di, dit, di  
Dit, di, dit, di, dit, di, dit, di

Dit, dit, dit, dit, di, dup

Oh, buttercup, well, give it up  
Na, na, na, na, na, no  
Oh, buttercup

Ooh, no, no, no, no, no, no

You won't give up your buttercup  
You say you love to but one is givin' up  
'Cause he can't stay, no, no  
Aw, you won't give up your buttercup  
You're plenty for one but two, you're not enough  
And I can't stay

Rump, pump, pa, rump, pump, pa, dah

There's a chance for even losers  
'Cause I will find a love that's pure someday  
Yeah, ee, yeah, you will be the one who's bluer  
Because your game of love no one will play, ya

You won't give up your buttercup  
You say you love to but one is givin' up  
'Cause he can't stay, no, no  
You won't give up your buttercup  
You're plenty for one but two, you're not enough  
And I, I can't stay

Rump, pump, pa  
Rump, pump, pa, dah

Won't give up, well, give it up  
No, no, no, no, no, no, won't give it up  
You've gotta give it up  
You gotta give it up  
Or you're gonna lose it

Won't give it up  
Oh give it up, you gotta  
Give it up woe  
Woe, woe, woe, woe now  
Give it up, oh no, no

Won't give it up  
Don't wanna give it up  
Won't give it up, oh  
I'm in love with you, oh
