Seems I've got to have a change of scene
'Cause every night I have the strangest dreams
Imprisoned by the way it could have been
Left here all alone girl, so it seems
Oh, I've got to leave before I start to scream
But someone locked the door

Feeling alright
Not feeling too good myself
Feeling alright
Not feeling too good myself

Feeling alright, alright, alright
Too good myself
Feeling alright, alright, alright
Not feeling too good myself

Feeling alright, alright, alright
Not feeling too good myself
Feeling alright, alright, alright
Not feeling too good myself

Feeling alright, alright, alright
Not feeling too good myself
Feeling alright, alright, alright
Not feeling too good myself

Feeling alright, alright, alright
Not feeling too good myself
Feeling alright, alright, alright
Not feeling too good myself

Feeling, feeling, feeling, feeling too good myself, hey
Feeling, feeling, feeling, feeling too good myself, hey
Feeling, feeling, feeling, feeling too good myself, hey
Feeling, feeling, feeling, feeling too good myself, hey

Let me hear you say you're feeling, hey
Let me hear you say you're feeling, hey
Let me hear you say you're feeling, hey
Hear you're feeling, hey
Hear you're feeling, oh
