Chorus:

I got to find me a girl  
Oh, I got to find me a girl

Somebody who  
Can make all my dreams  
Come true  
Somebody soft and warm

I know just what I want  
I've been searching everywhere  
Can't seem to find her anywhere  
Could it be you, could it be you  
Could it be you

Chorus:

I got to find me a girl  
Oh, I got to find me a girl

Somebody true  
To make all my lonely nights  
A thing of the past  
Someone to make everything

All right

I got to find me a girl  
Find me a girl  
Find me a girl  
Oh baby

Somebody who  
Can make all my dreams  
Come true  
Somebody soft and warm  
I know just what I want

I've been searching everywhere  
Can't seem to find her anywhere  
Could it be you, could it be you  
Could it be you
