When I had you to myself I didn't want you around
Those pretty faces always make you stand out in a crowd
When someone picked you from the bunch
One glance was all it took
Now it's much too late for me to take a second look

Oh, baby give me one more chance (show that I love you)
Won't you please let me (back in your heart)
Oh, darling I was blind to let you go (let you go baby)
But now that I see you in his arms (I want you back)
Yes I do now (I want you back)
Ooh ooh baby (I want you back)
Yeah, Yeah, yeah yeah (I want you Back)
Na, Na, Na, Na

You went to school to learn, girl
Things you never never knew before
I before E except after C
And why two plus two makes four
Now Now Now I'm going to teach all about love yeah
Sit yourself down take a seat
All you have to do is repeat after me
ABC it's easy as 123
Simple as Do, Re, Mi, ABC, 123, baby you and me
Sit down girl I think I love you
No get up girl show me what you can do
ABC baby, 123 baby, Do re MI baby

That's how easy love can be

Stop you better Save Me
Stop stop stop you better save me
When we played tag in grade school you wanted to be it
but chasing boys was just a fad you crossed your heart
you'd quit
When we grew up you traded you promised for my ring
Now just like back in grade school you're doing that
same old thing
Stop the love you save may be your own

Darling take it slow or someday you'll be all alone
Better stop the love you save may be you own
darling look both ways before you cross me
you're heading for the danger zone
Hold on (X4)
S is for save me
T is for take it slow
O is for Oh, no
P is for please please don't go

Love you save may be your own someday you may be
all alone save me girl

STOP!
