If N' I Was God  
Well just for spite  
I wouldn't set the sun at night  
'Till everyone was treaded right  
By everyone else they see

If N' I Was God  
I'd fix it so, without explaining  
Folks would know, they'd know  
What's going on inside  
Of everyone else like me

Nobody hurt nobody else  
Oh I know, I wouldn't let it be  
Nobody have a need to pray

Except, for thanking me

If N' I Was God  
I'd make us wise  
So everyone could realize  
That everywhere beneath the sun  
(Everyone needs everyone)  
Everyone needs, everyone

And God that in heaven what I would do  
If N' I were. you uh uh

Ah yeah  
If N' I Was God  
I'd make us wise  
Everybody touch  
Everybody's hand, ah yeah!

Reach out and touch somebody's hand

You got to, you got to love everybody  
You got to, you got to love everybody, yeah

You got to, you got to love everybody  
You got to, you got to love everybody  
You got to, you got to, you got to love everybody wow

You got to love everybody  
You got to, you got to everybody

C'mon everybody  
C'mon, c'mon everybody, yeah
