Your love is fadin', I can feel it fadin'  
Girl it's fadin' away from me  
'Cause your touch, your touch has gone cold  
As if someone else controls your very soul  
I've fooled myself long as I can  
And I can feel the presence of another man

Girl, when you speak my name  
It's just not the same  
Ooh, little girl, I'm losing you  
It's in the air  
It's everywhere  
Ooh, baby, I'm losing you

When I look into your eyes  
A reflection of a face, I see  
I'm hurt, down-hearted and worried, girl  
'Cause that face doesn't belong to me

It's all over your face  
Someone's takin' my place  
Ooh, little girl, I'm losing you  
It's hard to hide  
The emptiness inside  
Ooh, little girl, I'm losing you

I can tell when we kiss  
From the tenderness I miss  
Ooh, baby, I'm losing you  
I can feel it in my bones  
Any day you'll be gone  
Ooh, baby, I'm losing you

Ooh, baby, what happened to the love we shared?  
Ooh, baby, I'm losing you  
I don't wanna lose you, girl  
No baby
