Why don't you believe me?  
When I say that I love you  
I'm crazy 'bout you  
Wear the face that tells me  
You think my loving ain't true  
I'm all about you

You're my desire, I get higher every time  
I speak your name, all I do  
(That's all I do, that's all I do, that's all I do)  
The way that I can't sleep at night  
Just proves what I go through  
I'm crazy 'bout you

Now the first time that I saw you  
Walkin' down the street so pretty  
Gone with your bad self  
Now you saying that I don't love you  
When it's giving my love pains  
It's the hurt and the tension  
Girl, it's driving me insane

You are my, you are my  
You are my lovely one  
You are my, you are my  
You are my lovely one

You are my, you are my  
You are my lovely one  
You are my, you are my  
You are my lovely one

Why don't you believe me  
When I say that I am true?  
I'm crazy 'bout you  
I'm here to love and please you  
I'll do what you want me to  
I'm all about you

Livin' and hopin', but I'm copin'  
With these things you put me through, all I do  
(That's all I do, that's all I do, that's all I do)

The way that I can't sleep at night  
Just proves what I go through  
I'm crazy 'bout you

Now the first time that I saw you  
Walkin' down the street so pretty  
Gone with your bad self  
Now you say that I don't love you  
When it's giving my love pains  
It's the hurt and the tension  
Girl, it's driving me insane

You are my, you are my  
You are my lovely one  
You are my, you are my  
You are my lovely one

You are my, you are my  
You are my lovely one  
You are my, you are my  
You are my lovely one

You are my, you are my  
You are my lovely one  
You are my, you are my  
You are my lovely one

You are my, you are my, baby  
You are my lovely one  
You are my, you are my  
You are my lovely one

Everything I do  
Love you all my life  
All I'm askin' for  
Love you all my life  
All I wanna say  
Love you all my life  
All I'm askin' for

Girl you are, oh my love  
My lovely one  
All I ever want  
All I'm askin' for  
All I'm askin' for  
[Incomprehensible] you are my girl, yeah

Check out this feeling  
You are so lovely  
Check out this feeling  
You are so lovely

Check out this feeling

You are my lovely one

You are my lovely one

You are my lovely one

You are my lovely one
