Ooh, I'd love to be with you

Old man sun
He don't have to come
I'll keep warm with your smile

And when my troubles get bad
And I should be sad
I'm happy all the while

I forget the world outside
Having your love, enjoying life
Just me and you
What a lovely way to spend my time
Ooh, I'd love to be with you

Darling you turn my work into play
It's just one big holiday
Baby, having so much fun, ooh
Yeah, there's nothing we'll leave undone

Just me and you
What a lovely way to spend my time
Ooh, I'd love to be with you

You're heaven on earth for me, yeah
Oh, no other address could there be
There's no other place for me
And with you
You baby
My whole life through

You're my inspiration
Yes, you are my love
What a sensation
Ooh, ooh, ooh, ooh

Ooh, I'd love to be with you
Oh, what a feelin'
Ooh, I'd love to be with you
Yeah, yeah

Ooh, I'd love to be with you
Baby
Ooh baby, baby, I'd love to be with you
To be, to be
No, no, ooh, baby, baby, I'd love to be with you
