After all we've done  
And after all we've been through  
How could you leave me?  
She's out of my life

She's out of my life, she's out of my life  
And I don't know whether to laugh or cry  
I don't know whether to live or die  
And it cuts like a knife, she's out of my life

It's out of my hands, it's out of my hands  
To think for two years, she was here  
And I took her for granted, I was so cavalier  
And the way that it stands she's of of my hands

So I've learned that love's not possession  
And I learned, love won't wait  
Now I've learned, that love needs expression  
But I've learned too late and she's  
Out of my life, she's out of my life

Damned in decision and cursed in pride  
I kept my love for her, locked deep inside  
And the way that it stands she's out of my hands

Damned in decision and cursed in pride  
I kept my love for her locked real deep inside  
And it cuts like a knife, oh yes it does  
She's out of my life, she's out of my life

Please come back to me
