Think, think, think, think, think, think, happy
Think, think, think, think, think, think, happy

There ain't no reason, for you to be sad, yeah
I know things can't be, can't be that bad, yeah
With a smile on your face
(Smile on your face)
With the love in your eyes
(Love in your eyes)
I know you'll feel better
You can only try

Thinkin'
Happy, happy, happy
That's the only way to be
Thinking happy, happy, happy
Try and you will see

Maybe the reason, don't be negative, no
You'll be rewarded, if you're positive, yeah, yeah, yeah,
yeah
You were born to be free
(You were born to be)
Free to be who you are
(Be who you are, hallelujah)
You'll feel better
You can only try

Thinkin'
Happy, happy, happy
That's the only way to be
I'm thinking happy, happy, happy
(Yeah)
If you try and you will see

Gotta do is
Think, think, think, think, happy
Think happy
Think, think, think, think, think happy

Na na na na na think happy
Na na na na na think happy

Na na na na na na think happy

Happy

Happy

Happy
