It was on a street so evil  
So bad that even hell disowned it  
Every single step was trouble  
For the fool who stumbled on it

Eyes within the dark were watching  
I felt the sudden chill of danger  
Something told me keep on walking  
Told me I should not have come there

Baby, 'cause you cut me like a knife  
Without your love in my life  
Alone I walk in the night  
'Cause I just can't stop this feelin'  
It's torture, it's torture, it's torture

She was up a stair to nowhere  
A room forever I'll remember  
She stared as though I should have known her  
Tell me what's your pain or pleasure

Every little thing you find here  
Is simply for the thrill you're after  
Loneliness or hearts of fire  
I am here to serve all masters

She said reality is a knife  
When there's no love in your life  
And merciful is the night  
When you just can't stop this feeling  
It's torture, it's torture, it's torture

And I still can't find the meaning, no no no  
Of the face I keep on seeing  
Was she real or am I dreaming  
Did the sound of your name  
Turn a wheel, start the flame in me

Baby, 'cause you cut me like a knife  
Without your love in my life  
Alone I walk in the night  
And I just can't stop this feelin'

It's torture, it's torture, it's torture

It's torture

It's torture

It's torture
