When I had you, I treated you bad and wrong my dear
And girl since, since you went away
Don't you know I sit around with my head hanging down
And I wonder who's lovin' you

I, I, I, I, I should have never ever, ever made you cry
And girl since, since you've been gone
Don't you know I sit around with my head hanging down
And I wonder who's lovin' you

Life without love is oh, so lonely
I don't think, I don't think I'm gonna make it
All my love, all my love, yeah, belongs to you only
Come on and take it, girl, come on and take it

Because I, all I can do, all I can do
Since you been gone is cry
And you, and ever wonder or worry your pretty little
head
'Bout what I do
Don't you know I sit around with my head hanging down
And I wonder who's lovin' you

Who's lovin' you
Who's lovin' you
Who's lovin' you
