I was window shopping, window shopping
Never meant to buy, just touch and try
You saw me, control me
I was window shopping, window shopping
Never meant to buy, just touch and try

I thought I had my game up tight
But with you I couldn't play it right
I pretended to be ice cold
But inside my temperature rose, oh yeah

Hoo hoo, hoo hoo, hoo hoo
Hoo hoo, hoo hoo, hoo hoo
Oh, I tried and I tried but I can't resist

I was window shopping, window shopping
Never meant to buy, just touch and try
You saw me, control me
I was window shopping, window shopping
Never meant to buy, just touch and try

To think that I once boasted around
No ones arms could ever tie me down
But you've changed my point of view
Now I'm trying to tie a knot onto you, oh baby

Hoo hoo, hoo hoo, hoo hoo
Hoo hoo, hoo hoo, hoo hoo
I was selling at the buyer until I met you

I was window shopping, window shopping
Never meant to buy, just touch and try
You saw me, control me
I was window shopping, window shopping
Never meant to buy, just touch and try

You're priceless merchandise
Precious merchandise
You saw me, control me

I was window shopping, window shopping
(You're priceless merchandise)

Never meant to buy, just touch and try
(Precious merchandise)
You saw me, control me

I was window shopping, window shopping
[Incomprehensible caught my eye]
Never meant to buy, just touch and try
(You saw me, control me, c'mon)

I was window shopping, window shopping
(You're priceless merchandise)
Never meant to buy, just touch and try
(Precious merchandise)
You saw me, control me
