This song appears on the album for everyman as "these days" with slightly different lyrics".

I've been out walking
I don't do too much talking these days
These days
These days I seem to think a lot
About the things that I forgot to do
And all the times I had the chance to

I stopped my ramblin'
I don't do too much gamblin' these days
These days
These days I seem to think about
How all the changes came about my way
And I wonder if I'll see another highway

And I had a lover
I don't think I'll risk another these days
These days
And if I seem to be afraid
To live the life that I have made in song
Well it's just 'cause I've been losing so long

Well I'll stop my dreamin'
I don't do too much schemin' these days
These days
These days I'll sit on cornerstones
And count the time in quartertones to ten
Please don't confront me with my failures
I had not forgotten them
