Here are some lyrics:

Running on Empty

From Jackson Browne's Running on Empty album

Looking out at the road rushing under my wheels

Looking back at the years gone by like so many
summer fields

In sixty-five I was seventeen and running up one-on-
one

I don't know where I'm running now, I'm just running on

Running on-running on empty

Running on-running blind

Running on-running into the sun

But I'm running behind

Gotta do what you can just to keep your love alive

Trying not to confuse it with what you do to survive

In sixty-nine I was twenty-one and I called the road my
own

I don't know when that road turned into the road I'm on

Running on-running on empty

Running on-running blind

Running on-running into the sun

But I'm running behind

Everyone I know, everywhere I go

People need some reason to believe

I don't know about anyone but me

If it takes all night, that'll be all right

If I can get you to smile before I leave

Looking out at the road rushing under my wheels

I don't know how to tell you all just how crazy this life
feels

I look around for the friends that I used to turn to to pull
me through

Looking into their eyes I see them running too

Running on-running on empty

Running on-running blind

Running on-running into the sun

But I'm running behind

Honey you really tempt me

You know the way you look so kind

I'd love to stick around but I'm running behind

You know I don't even know what I'm hoping to find

Running into the sun but I'm running behind

Transcribed by Derrick Brashear

Trouble

From Lindsay Buckingham's Law and Order album

I really should be saying goodnight, little girl,

I really shouldn't stay any more.

It's been so long since I felt this way,

I've forgotten what love is for.

I should run on the double...

I think I'm in trouble,

I think I'm in trouble.

So come to me darlin', hold me tight,

Let your honey keep you warm.

It's been so long since anyone touched me,

I've forgotten what love is for.

I should run on the double...

I think I'm in trouble,

I think I'm in trouble.
