Oh!

Can it be I stayed away too long  
Did I leave your mind when I was gone  
It's not my thing trying to get back  
But this time let me tell you where I'm at  
You do have to worry 'cause I'm comin'  
Back to where I should have always stayed  
And now I've got the maybe to your story  
And it's enough love for me to stay

Can it be I stayed away too long  
Did I leave your mind when I was gone  
Well, it's not my thing trying to get back  
But this time let me tell you where I'm at

I wanna, wanna be where you are, Oh!  
Anywhere you are, Oh!  
I wanna, wanna be where you are, Oh!  
Everywhere you are, Oh!

Please don't close the door to our future  
There so many things we haven't tried  
I could love you better than I used to  
And give you all the love I have inside  
Oh!

I wanna, wanna be where you are, Oh!  
Any, any, anywhere you are, Oh!  
I wanna, wanna be where you are, Oh!  
I gotta, gotta be where you are, Oh!

I wanna be, I wanna be ... Oh!  
Yeah, yeah, baby now  
I wanna be, I wanna be ... Oh!  
Ooo...  
I wanna be, I wanna be ... Oh!  
Na na, yeah, yeah  
I wanna be, I wanna be ... Oh!  
I wanna be, I wanna be ... Oh!  
Na, na baby
