I don't know how many stars there are
Up heavenly sky
I only know my heaven's here on earth
Each time you look in my eyes
The way you do baby
Thank you, thank you Baby
My beautiful bird you have flown away
I held you too tight I can see
You're all I need to get by
No one else can make me cry
The way you do baby
You are the Book that I read each day
You are the song that I sing (Gonna sing it to you)
You are the four seasons of my life
But maybe tomorrow (you'll change your mind girl)
Maybe tomorrow (you'll come back to my arms girl)
You're all I need to get by
No one else can make me cry
The way you do baby
You are the Book that I read each day
You are the song that I sing (Gonna sing it to you)
You are the four seasons of my life
But maybe tomorrow (you'll change your mind girl)
Maybe tomorrow (you'll come back to my arms girl)
ooh
You are the Book that I read each day
You are the song that I sing (sing it, sing it)
You are the four seasons of my life
But maybe tomorrow (you'll change your mind girl)
Maybe tomorrow (you'll come back to my arms girl)
You are the Book that I read each day
You are the song that I sing (Gonna sing it to you)
You are the four seasons of my life
But maybe tomorrow (you'll change your mind girl)
Maybe tomorrow (you'll come back to my arms girl)
ooo Baby I need you (listen to me girl)
You are the song that I sing
You are the four seasons of my life
But maybe tomorrow (you'll change your mind girl)
Maybe tomorrow (you'll come back to my arms girl)
You are the song that I sing
