Fools in love  
Well, are there any other kind of lovers?  
Fools in love  
Is there any other kind of pain?

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you see, everything you know now  
Everything you do, you do it for your Lady Love  
Your Lady Love, your Lady Love, your Lady Love

Fools in love  
Are there any creatures more pathetic?  
Fools in love  
Never knowing when they've lost the game

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you see, everything you know now  
Everything you do, you do it for your Lady Love  
Your Lady Love, your Lady Love, your Lady Love

Chorus:  
Fools in love they think they're heroes  
Cause they get to feel more pain  
I say fools in love are zeros  
I should know  
I should know because this fool's in love again

Fools in love  
Gently hold each other hands forever  
Fools in love  
Gently tear each other limb from limb

Everything you do, everywhere you go now  
Everything you touch, everything you feel  
Everything you do, even your rock'n'roll now  
Nothing mean a thing except you and your Lady Love  
Your Lady Love, your Lady Love, your Lady Love

Chorus (twice)
