"Happy Ending"

I'm in a movie where boy meets girl.
What happens to me in this brave new world?

Do I listen to my heart? Do I listen to my head?
Do I look at what I see, or remember what I read?
When I tell you how I feel do I wonder what I say?

Is there nothing we can do about it?
Anyone, anyone can be so hardhearted;
but everyone, still everybody
wants a happy ending.
La la la la la; la la la la la;

It's not so easy, it's eighty four now.
How tough must we be to ask for more, now?

Do I listen to my head? Do I listen to my heart?
Do I try to feel the same, as I do when we're apart?
Do I think about the end when it's only just the start?

Is there nothing we can do about it?
Anyone, anyone can be so hardhearted;
but everyone, still everybody
wants a happy ending.

I get so scared when I see
the evidence against our case.
Each movie so far this year
ends up with someone crying,
or even someone dying.
