(words and music by Paul Specht)

You told me you would me at the station gate  
For our honeymoon excursion  
You told me you would me at the station gate  
But I got a different version  
Train number one is gone  
Train number two is gone  
Train number three is been gone  
How long must I wait for you?  
Train number four is gone  
Train number five is gone  
Train number six is been gone  
How long must I wait for you?

I got my tickets and a reservation set for two  
Luggage waiting on the track  
But I got no use for reservations without you  
I got to give the tickets back  
Cause train number one is back  
Train number two is back  
Train number three is been back  
How long must I wait for you?

(instrumental break)

You told me you would me at the station gate  
For our honeymoon excursion  
You told me you would me at the station gate  
But I got a different version  
Train number one is gone  
Train number two is gone  
Train number three is been gone  
How long must I wait for you?  
Train number four is gone  
Train number five is gone  
Train number six is been gone  
How long must I wait for you?

I got the tickets and a reservation set for two  
Luggage waiting on the track

But I got no use for reservations without you  
I got to give the tickets back  
Cause train number one is back  
Train number two is back  
Train number three is been back  
How long must I wait for you?  
How long, baby  
How long, baby  
How long, how long...  
How long must I wait for you?
