(words and music by Joe Jackson)

What the hell is wrong with you tonight
I can't seem to say or do the right thing
Wanted to be sure you're feeling right
Wanted to be sure we want the same thing

She said - I can't believe it
You can't - possibly mean it
Don't we - all want the same thing
Don't we
Well who said anything about love
No not love she said
Don't you know that it's different for girls
You're all the same

Mama always told me, save yourself
Take a little time and find the right girl
Then again don't end up on the shelf
Logical advice gets you in a whirl
I know - a lot of things that
You don't - you wanna hear some
She said - just give me something
Anything
Well give me all you got but not love
No not love she said
Don't you know that it's different for girls
You're all the same
